

AMCHAM Innovation Camp

AMCHAM(American Chamber of Commerce in Korea)'s charity arm, **Partners for the Future Foundation** hosts CSR(Corporate Social Responsibility) activities to actively **support Korea's youth career development.**

What are the Values of AMCHAM Innovation Camp?

Career information through CEO lectures -> Support students to achieve their dreams in global job market
Mentoring for Students -> Mentors meet with local students for career coaching

What are the Benefits as a Mentor?

1. Network: Build relationship with other CEOs & local university & gov't officials
2. Company Highlight on Media
3. Provide opportunities to present your company brand to the public
4. Achieve company CSR contribution goals

Program

Session 1: CEO Lectures / Q&A at Main Auditorium (approx. 200 students)

Session 2: Individual Small Group Mentoring (approx. 10~15 students per mentor)
